

Baby Your Baby

GMP-926

Called by
Bob Baier

OPENER

Circle left

All you know-it-all lovers better heed some advice
If you're bad to your baby you'd better think twice
Walk around your corner, seesaw your own
Men star right in the middle & roll it you go
Find the corner girl & go left allemande
Swing your own & promenade round the land
Better baby your baby cause if you don't
Someday your baby'll be gone

FIGURE

Heads (sides) promenade & take 'em 1/2 way around
Sides square thru & take 'em 4 hands around
4 hands & then you do the right & left thru
Eight chain 6, go rollin' you do
You'd better baby your baby with a love that's strong
Swing with your corner, promenade her along
Better baby your baby cause if you don't
Someday your baby'll be gone

MIDDLE BREAK

Circle left

You gotta show her you love her
More than at night
You gotta be there for her to make things right
Walk around your corner, seesaw your own
Men star right in the middle & roll it you know
Find the corner girl & go left allemande
Swing your own & promenade round the land
Better baby your baby cause if you don't
Someday your baby'll be gone

CLOSER

Circle left

Don't let her get lonely don't make her cry
Don't take her for granted don't tell her a lie
Walk around your corner, seesaw your own
Men star right in the middle & roll it you go
Find the corner girl & go left allemande
Swing your own & promenade round the land
Better baby your baby cause if you don't
Someday your baby'll be gone

TAG

Swing her

Someday your baby'll be gone
