

You Are The Woman

GMP-928

Called by
Mike Seastrom

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

*It's not so much the things you say to me

It's not the things you do

It's how I feel each time you're close to me

That keeps me close to you

Ladies chain over and back

You are the woman that I've always dreamed of

I knew it from the start

Promenade

I saw your face and that's the last I've seen of my heart

FIGURE

Heads promenade half way around the ring you go now

Lead right, circle four and make a line

Go forward up and back, you pass the ocean then

Boys circulate, those girls trade in time

Swing thru you do and boys run right, now tag the line all the way

Face left, promenade back to where you start

I saw your face and that's the last I've seen of my heart

ALTERNATE LYRICS

*It's not so much your pretty face I see

It's not the clothes you wear

It's more the way you look at me

That always keeps me there

*It's hard to tell you all the love I'm feeling

That's just not my style

You've got a way to send my senses reeling

Everytime you smile

TAG

Four ladies promenade when you get back home swing

I saw your face and that's the last I've seen of my heart
