

## Somebody Else's Moon

GMP-936

Called by  
Lorenz Kuhlee

### OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square  
I looked out my window at the world I once owned  
And I see it still spinning round  
But somewhere above me the light I once knew  
No longer shines through the clouds  
Four ladies chain and then, you turn and chain 'em back  
Keep this girl and promenade  
They're no longer mine, cause somewhere tonight  
You're in somebody else's arms

### FIGURE

Now the heads promenade and go halfway and go  
Walk in and pass the ocean there, extend  
Swing thru tonight, then let the boys run right  
Bend the line, go right & left thru and go  
Flutter wheel once around and then slide thru  
Swing your own and promenade  
They're no longer mine, cause somewhere tonight  
You're in somebody else's arms
