

Fraulein

GMP-938

Called by
Al Stevens

OPENER

Sides face, grand square
Far across deep blue water, lived an old German's daughter
By the banks of the old river Rhine
Where I loved her then left her, but I can't forget her
I miss my pretty fraulein
Circle left
Fraulein, fraulein, look up towards heaven
Allemande and promenade so fine
By the same stars above you, I swear that I love you
I miss my pretty fraulein

FIGURE

Now the heads promenade and go halfway and go
Square thru by the old river Rhine
Swing thru two by two, boys run right and now
Those couples circulate and now, ladies trade
Bend the line and square thru 3/4 round
Reach out and promenade her so fine
By the same stars above you, I swear that I love you
I miss my pretty fraulein
