

Angel

GMP-943

Called by
Tony Oxendine

OPENER - MIDDLE BREAK - CLOSER

Sides face, grand square

You're the answer to my prayer, and you're with me everywhere

You're my angel...miracle, you're all I need tonight

Allemande and weave

Give me shelter from the rain, you breath life in me again

You're my angel...miracle, you're all I need to know

FIGURE

Heads promenade half way, square thru 4 I say

You go all the way and make a right hand star, a full turn around and now

The heads star left half way across

Swing your corner, promenade along

You're my angel...miracle, you're all I need to know
