Circle left

Remember when we fell in love together

We were just a couple of crazy kids

Allemande left that corner, do a do sa do

Allemande left that corner, weave the ring

We are taking time to be in love

Swing your girl and promenade

It's just you and me taken time to be in love

FIGURE

Heads (Sides) promenade 3/4 round there

Sides (Heads) pair do right & left thru

Sides (Heads) pass thru,

Touch 1/4, Walk & dodge, Partner trade and then,

Touch 1/4, Circulate, Boys run right,

Swing your girl, promenade

I guess they think we've found the secret to it

They don't know were learning every day

MIDDLE BREAK – CLOSER

Sides face Grand Square

Taking time to be in love, making sure we know it's true

We lock the world outside and steal away

Just the two of us

Allemande and weave

And we share each other dreams

And laugh at crazy things

It's just you and me taken time to be in love
