OPENER - MIDDLE BREAK - CLOSER

Circle left

I wrote a letter to Santa last night
I told him what I want to make my Christmas right
Allemande left your corner, partner dosado
Left allemande and weave the ring
I want a rockin' little Christmas,
Rockin' little Christmas with you
Swing that girl around and promenade the ring
If I get my wishes it's gonna be delicious
A rockin' little time for two

FIGURE

Heads (sides) promenade half round I sing
Pass the ocean, Extend, Girls Trade, Boys Run,
Boys Trade, Couples Trade, Tag the line all the way,
Face right, Bend the line, Slide thru,
Corner swing and promenade the ring
If I get my wishes it's gonna be delicious
A rockin' little time for two

TAG : Swing that girl around, a rockin' little time for two

ALTERNATE LYRICS (Non-Christmas)

I wrote a letter to my boy/girl-friend last night
I told him what I want to make this weekend right
Allemande left your corner, partner dosado
Left allemande and weave the ring
I want a rockin' little square dance,
Rockin' little square dance with you
Swing that girl around and promenade the ring
If I get my wishes it's gonna be delicious
A rockin' little dance with you
