

# I Am A Simple Man

Called By Fred Walker

MAR-500

## OPENER

Sides face, grand square  
I don't know why you want to start with me  
I ain't done nothing far as I can see  
And I'm worn out from working, honey  
Why don't you give me a break  
Allemande left and you weave  
I know that lately things ain't been so good  
Swing with your lady, promenade like you should  
Cause I'm tired and I wanna sit down  
To ease this old backache

## FIGURE

Heads promenade halfway you do  
Move into the middle, get a right & left thru  
Square thru and take it four hands you know  
Dosado and do an eight chain four  
\*I wanna job and a piece of land  
Swing your corner, promenade round the land  
\*\*Don't seem so hard to me to understand...  
I am a simple man

## ALTERNATE LYRICS

\*I wanna place where I can lay my head

\*\*A little time off work before I'm dead...  
I am a simple man

## MIDDLE BREAK

Sides face, grand square  
You say we've got some things to talk about  
A lot of problems that we need to work out  
But I've had enough fighting, sugar,  
Why don't you give it a rest  
Allemande left and you weave  
I don't know what else I can say to you  
Swing with your lady, promenade with her, too  
Cause I can't give it anything more  
When I'm giving my best

## CLOSER

Circle left  
You say you're havin' trouble figuring me  
I don't believe I'm such a mystery  
Left allemande, come home and dosado  
Allemande left, you're gonna weave it and go  
I wanna dance with you and hold your hand  
Swing with your own and promenade round the land  
Don't seem so hard for me to understand...  
I am a simple man

## TAG

Swing 'em  
Don't seem so hard for me to understand...  
I'm just a simple man
