OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade inside of that ring
Well get back, swing with your man
Join all your hands, circle left round that ring
And do an allemande left with the corner girl, weave that ring
I want to live on this land that I've loved and labored for
Swing the girl and promenade her home
I want to ride on an old freight train
And be a good old American guest

FIGURE

Head couples square thru go four now
Well meet the outside two, swing thru
Boys run, you bend the line, go right & left thru
Pass thru, tag the line, face it right
Do a ferris wheel and go, centers half zoom
Swing the corner, promenade
I want to ride on an old freight train
And be a good old American guest

TAG
