Here's a picture that we took in Cincinnati
The time we saw that big league baseball game
Left Allemande your corner, Turn your partner Right,
Boys Star go round the ring.
Home yo go Dosido go round your own now
Allemande Left comeback and Promenade
And each time we make a memory, I'm reminded
I can't picture me with no one else but you

That's the way I'd picture you right from the start

*Here's a picture of you being close beside me
That's the picture that I carry in my heart
