I heard somebody loves me, wonder who?
Well I hope they're right and I hope that someone's you

And I'll turn teardrops into love stops
Swing your girl around and Promenade
Without a tear in your eyes,
I promise when you leave, you'll wear a smile

I promise when you leave, you'll wear a smile

I heard somebody loves me, wonder who?
Well I hope they're right and I hope that someone's you
