

THAT SONG IS DRIVING ME CRAZY

MS-19

Called by
Graham Elliott,
Adelaide, South Australia

OPENER/MIDDLE BREAK/CLOSER

4 Ladies promenade, once inside the ring.
Come back and swing now, everybody swing.
Join hands and circle left, walking around I sing
Allemande left and you weave around the ring

That song is driving me crazy

I want to hear it again

Swing your partner, promenade my friend

It's a simple little song you can sing along

With an old time melody

Won't you play that crazy little song again for me

FIGURE

(Heads/Sides) Promenade and you go, half away around
Down the middle and pass the ocean, extend right now
Swing thru, two by two, spin the top my friend
Boy move up and a right and left thru you go
Touch one quarter, circulate, then the boys you run.
Allemande left and promenade for fun

It's a simple little song you can sing along

With an old time melody

Won't you play that crazy little song again for me
