OPENER/MIDDLE BREAK/CLOSER

Join your hands and circle to the left a while
Reverse back, circle right, let's make it single file
Girls keep walking like you are, men turn in a right hand star
Pass her once, pass her twice and the corner you will find
Left allemande the corner, and a right and left grand,
When you meet again, we'll promenade the set
**Take a walk with me, this is where you ought to be
**I'm gonna lock my heart and throw away the key

FIGURE

(Heads/Sides) Step in, circle halfway round
Then alongside you, California twirl, Separate around 1,
Squeeze in to a line of 4, Go forward and back once more
Star thru then a Double pass thru you do
Cloverleaf, centres square thru three,
Swing your corner promenade
Promenade with me, don't you ever set me free
I'm gonna lock my heart and throw away the key

(Closer)

**Take a walk with me, this is where you ought to be

Lock my heart and throw away
