OPENER - MIDDLE BREAK

4 Ladies Chain, straight across you will go
Roll her Away and Circle Left
4 Ladies Rollaway, Circle Left that way
Left Allemande that corner, Weave around the Ring
Now back in the bunch, I came up with a hunch
Swing your girl and Promenade
I've got one of those spells, when I hear the right bells
So let a winner lead the way

FIGURE

Heads Promenade Halfway round there you go
Lead Right and then Swing Thru
Spin Chain Thru, girls do all the work
When you're done, the Girls Cross Run
The Boys Cross Run and the corner you Swing
Keep her and then you Promenade
Will everyone here, kindly step to the rear
And let a winner lead the way

CLOSER & TAG

4 Ladies Chain, straight across you will go
Roll her Away and Circle Left
4 Ladies Rollaway, Circle Left that way
Left Allemande the corner, Weave around the Ring
Back in the group, I came up with a scoop
This was the time to rise and say
Yes, will everyone here kindly step to the rear
And let a winner, lead the way!
