

Dream A Little Dream

Called By Michael Johnstone

WK-2007

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

Stars shining up above you

Night breezes seem to whisper I love you

Left allemande, you dosado with your own now

Left allemande that corner, weave the ring

Say nighty-night and kiss me

Swing and hold me tight and promenade, you'll miss me

While I'm alone and blue as can be

Dream a little dream of me

FIGURE Basic, corner progression

Heads promenade go halfway around there

Down the middle and square thru go 4

All the way and do the right & left thru, there

Veer left and now you ferris wheel once more

Square thru 3 hands around now

Swing corner, promenade her around now

But in your dreams whatever they be

Dream a little dream of me

ALTERNATE LYRICS

Sweet dreams 'till sunbeams find you

Sweet dreams to leave your worries far behind you
