# I Am Simple Man (CK 262)

(Pop Artist: Ricky Van Shelton)

## OPENER/BREAK/CLOSER:

Circle Left

You say you're havin' trouble figuring me

I don't believe I'm such a mystery

Left Allemande and then a Dosado

Allemande Left and then a Weave the ring

I want a job and a piece of land

Swing your girl and Promenade the land (OR: Three squares in my fryin' pan)

Don't seem so hard to me to understand

I am a simple man

## Figure:

Heads Promenade Halfway go all the way around

Walk in and Pass The Ocean, then you Extend

Recycle round Sweep  $\frac{1}{4}$ , Right and Left Thru

Pass The Ocean and then you

Swing Thru and Swing Thru again

Swing your corner, Promenade

\* Yes, I'm worn out from workin' too hard

\* Why don't you give me a break

## ADDITIONAL LYRICS:

\* But I'm tired and I want to sit down

\* Why don't we give it a rest

\* But we'd just end fightin'

\* Why don't we give it a rest

\* And I can't give you anything more

\* When I'm givin' my best
