

## Joy To The Wold

Called by  
Ken Bower

### OPENER - MIDDLE BREAK

Circle left

Jeremiah was a bull frog

Was a good friend of mine

You do a left allemande

Come home dosado

The men star left one time

Turn your partner by the right hand there

Left allemande and promenade the square

Joy to the fishes in the deep blue sea

And joy to you and me

### FIGURE

Heads you promenade and go halfway

Sides you'll do a right & left thru

You touch 1/4, same boys run and all pass thru

Left allemande and weave the ring

Singing joy to the world

Swing the next and promenade with that girl

Joy to the fishes in the deep blue sea

Joy to you and me

### CLOSER

Sides face grand square

You know he loves the ladies

You know he loves his fun

He's a high-wire flyer and a rainbow rider

And a straight shootin' son of a gun

Four ladies promenade one time around and swing

Swing your man and promenade the ring

Singing joy to the fishes in the deep blue sea

Joy to you and me

### TAG
