Circle left

*Well I was born with a dark cloud above me
And a longing, deep in my soul
Walk all around the corner lady, seesaw your own
Left allemande and weave the ring you know
They say the grass is greener on the other side
And the skies are always blue
I won't stop running till I'm satisfied
If wishes were horses I would ride, ride, ride

FIGURE

Heads (sides) square thru in the middle, four hands you go
Dosado that corner girl
Swing thru tonight, let the boys run right
Bend the line and do the right & left thru
Flutter wheel across, then slide thru
Swing the corner and promenade
I won't stop running till I'm satisfied
If wishes were horses I would ride, ride, ride

ALTERNATE LYRICS

*You know I love you, you're my true companion
You've been my life long friend
*I've been a rover and I've been a Rambler
