ESP 1105

Called By Gary Shoemake

OPENER - MIDDLE BREAK - CLOSER

Circle left

*We travel round the country from the east coast to the west
There'll be a lot of parties along the way
Men star by the right hand, one time around the ring now
Left allemande then weave the ring
We're coming to your city
Swing the girl and promenade along
We're coming to your city
If you wanna have a good time come along

FIGURE

Head (side) two couples promenade 1/2 way around the ring now
Down the middle and pass the ocean then extend
Swing thru the outside two boys run to the right
Bend the line, then do a right & left thru
Star thru & veer to the left everybody veer right
Centers veer to the right and all promenade
We'll be rockin' & we'll be rollin'
If you wanna have a good time come along

ALTERNATE LYRICS
