## OPENER

Circle left

My daddy taught me in the country everyone's the same  
You work hard for your dollar and never pass the blame  
Now men star right and you roll it 'round  
Left allemande and weave the ring  
In the real world they're shuttin' Detroit down  
When you meet her boys promenade go walkin' around  
DC's bailing out those bankers while the farmers auction ground  
In the real world they're shuttin' Detroit down

## FIGURE

Heads square thru count 'em 4 hands round  
You make a right hand star  
The heads star left, roll it one time and then  
Same pair and do a dosado  
Swing thru and then the boys trade  
Swing the corner lady round and promenade  
While the boss man takes his bonus pay and jets on out of town  
In the real world they're shuttin' Detroit down

## MIDDLE BREAK

Circle left

See all them big shots whining on my evening news  
'Bout how they're losing billions and it's up to me and you  
The men star right and you roll it round  
Left allemande and weave the ring  
In the real world they're shuttin' Detroit down  
When you meet her now promenade go walking around  
While they're living up on Wall Street in that New York City town  
Here in the real world they're shuttin' Detroit down

## CLOSER

Circle left

An old man's been working in that plant most all his life  
Now his pension plan's been cut in half and he can't afford to die  
The men star right and you roll it 'round  
Left allemande and weave the ring  
In the real world they're shuttin' Detroit down  
When you meet her boys promenade, go walkin' around  
While the boss man takes his bonus pay and jets on out of town  
In the real world they're shuttin' Detroit down
