

That's How The Country Boys Roll

ESP 1129

Caller Elmer Sheffield

OPENER - MIDDLE BREAK - CLOSER Circle left

*Well, they wake up in the morning and
They drink their coffee black
Left allemande the corner lady, turn a right hand round your baby
Now the men star left like that
Come on now, turn your partner right, and you go left allemande
Swing and promenade along
Well, that's how country boys roll

ALTERNATE LYRICS

*Well they work, work, work all week
'Till the job gets done

*Well they're singing in bars and soupin' up cars
Just to see how fast they go

FIGURE

Heads (sides) flutter wheel and sweep 1/4 more
You pass thru, both hands single circle make a wave
Boys trade and you spin that old top
The boys move up, square thru there pop
Three hands around, you're lookin' out, chase right
Swing the corner, promenade alright
Well, that's how country boys roll

TAG
