Circle left

*Oh the road is rough and rocky
And the hills are hard to climb
Ah, the men star right, and roll it one time around now
Allemande and weave around in time
Afterwhile it will all be over
Afterwhile the sun will shine
Afterwhile dark clouds will pass over
And we will shout hallelujah** afterwhile

ALTERNATE LYRICS

*Though some friends may all forsake you
God will fix everything in time

*Now His eye is always watching
Seeing everything you do
