

Hey Soul Sister

ESP 1138

Caller Elmer Sheffield Jr.

OPENER

Circle left
Your lipstick stains
On the front lobe of my left side brain
I know I won't forget you
Men star right and you roll it around
Left allemande the corner and you weave
Hey soul sister, ain't that mister mister
On the radio, the stereo
Swing that girl around and you promenade
Hey soul sister, I don't wanna miss
A single thing you do tonight

FIGURE

Heads (sides) promenade halfway around the ring
You pass the ocean, extend
Swing thru tonight, boys run right
Half tag, walk & dodge, you partner trade
Reverse the flutter, keep her and promenade
Hey soul sister, I don't wanna miss
A single thing you do tonight

MIDDLE BREAK

Circle left
Your sweet moonbeams
The smell of you in every dream I dream
Men star by the right now
Allemande the corner lady and you weave
I knew when we collided, you're the one, I decided
Swing that girl around and you promenade
Hey soul sister, I don't wanna miss
A single thing you do tonight

CLOSER

Circle left
Just in time
I'm so glad you have a one track mind, like me
Men star by the right, now
Allemande the corner lady and you weave
You gave my life direction
A game show love connection
Swing that girl around and you promenade
Hey soul sister, I don't wanna miss
A single thing you do tonight
