Circle left

*I'm not gonna lay around and whine and moan
The men star right and roll it once around
Left allemande, weave alone
*Don't think for a minute that I can't win it
Swing your girl, promenade now
I'm not here for a long time
I'm just here for a good time

ALTERNATE LYRICS

*Folks are always dreaming about what they like to do
Well I take the chance and I dance the dance

*Well there's no way of knowin' what tomorrow brings
So bring me some sunshine, pour me some moonshine

FIGURE

The heads (sides) promenade halfway around
Pass the ocean, extend
Swing thru tonight, the boys run right
Bend the line, do the right & left thru
Star thru, veer left, veer right
Centers veer right, all promenade home now
I'm not here for a long time
I'm just here for a good time

TAG

Give her a swing
I'm not here for a long time
I'm just here for a good time
