ESP 1148

Caller Elmer Sheffield

OPENER - MIDDLE BREAK - CLOSER Circle left

*Now a red solo cup is the best receptacle
For barbecues, tailgates, fairs and festivals
Men star right and you roll it around
Left allemande then you weave around
Red solo cup, I fill you up
Let's have a party, let's have a party
I love you, red solo cup
Proceed to party, proceed to party

ALTERNATE LYRICS

*Hey red solo cup is cheap and disposable
And in fourteen years they're even decomposable

*Now red solo cup, you're more than just plastic
You're more than amazing, you're more than fantastic

FIGURE

Heads (sides) square thru and roll it around
You make a right hand star, go 'round
Heads star left, turn it and go
To the corner now, slide thru, go
Touch 1/4, girls run right
Swing that corner, promenade tonight
I love you, red solo cup, I lift you up
Let's have a party, proceed to party
