

Like My Dog Does

ESP 1149

Caller Elmer Sheffield Jr.

OPENER - MIDDLE BREAK - CLOSER

Circle left

He never tells me that he's sick of this house

He never says "Why don't you get off that couch?"

Left allemande, turn the partner right

Men star left and you roll it 'round tonight

Turn your partner right and you go left allemande

Take your girl and promenade the land

I want you to love me like my dog does, honey

I want you to love me like my dog

ALTERNATE LYRICS

*He never says I need a new attitude

He and my sister ain't always in a feud

*He never acts like he don't care for my friends.

He never asks me "Where have you been?"

FIGURE

Heads (sides) make a left hand star and you turn it around

To the corner make a right hand star and go 'round

Heads (sides) star left in the middle, once around to the corner

Both hands, single circle, rear back, star thru and roll

Swing that corner, promenade on home

He don't cost me nothing when he wants to go out

I want you to love me like my dog
