

## South Of The Border

ESP 1150

Caller Elmer Sheffield Jr.

### OPENER

Sides face, grand square

\*South of the border, down Mexico way

That's where I fell in love when stars above came out to play  
Allemande and weave

\*\*And now that I wander, my heart ever strays  
South of the border, down Mexico way

### ALTERNATE LYRICS

\*She was a picture in old Spanish lace

And just for a tender while I kissed the smile upon her face

\*\*It was fiesta, we danced the night away

\*South of the border, down Mexico way

There in a bed of white by candlelight I knelt to pray

\*\*The mission bells told me, you must not stay

### FIGURE

Heads (sides) promenade half way, i yi yi yi

Star thru, pass thru, touch 1/4

Follow your neighbor, don't spread

Left swing thru and then left cast off 3/4

Girls walk, boys dodge, and promenade

South of the border, down Mexico way
