Circle left

*I took your picture from the table
I'm finally feelin' all alone
Left allemande, turn partner right hand
Left allemande and you weave the ring
I'm just the way I've always been
Meet a little girl and you promenade
There ain't nothin' new about me
I'm just the way I've always been

FIGURE

Heads (sides) you square thru
Out to the corner girl you go swing thru
And the boys trade, and then boys run right
Bend the line and star thru, reverse flutter
Veer right, keep her and promenade
Same ol' faults, same ol' friends
I'm just the way I've always been

ALTERNATE LYRICS

*I took your number from my Rolodex
I might get weak and call your phone

*Got my chainsaw from your brother
I did all of that and then

*Your uncle called about my pickup
He'd like to use it for a day

*I told him come ahead and get it
Don't know when I'll need it again
