Every morning when you come down stairs
Hair's a mess, but I don't care
Men star right and roll it around
Allemande the corner and weave around
You make loving you easy
Swing your girl and promenade on home
Every little smile, every little touch
Just makes loving you easy

FIGURE

Heads promenade half way
Walk in and pass the ocean
Extend, and hinge one quarter
Scoot back and the boys run right
Square thru and go three hands 'round
Swing the corner, promenade
Every little smile, every little touch
Just makes loving you easy

TAG
