

I Can Hear Kentucky Calling Me

ESP 1165

Caller

Elmer Sheffield Jr.

and

Mitchell Osawa, Harmony by Kumi Takahashi

<Opener> SFGS

I can hear Kentucky calling me
Calling from my halls of memory, Allemande and weave,
A bluegrass field, a maple hill
I loved her then, I love her still
I can hear Kentucky calling me

<Figure>

Heads (Sides) Promenade go half way around the ring
You pass the ocean, extend, girls trade, and then swing thru, boys run right now, half tag, split
circulate, scoot back,
Swing and promenade, I can hear Kentucky calling me

<Middle break> SFGS

Front porch dreamers pickin' old guitars
Bony hound dogs singing to the stars, Allemande and Weave
The sounds and scenes, I've left behind
Are evergreens upon my mind
I can hear Kentucky calling me

<Closer>

Four Ladies promenade inside that old ring
Come on home and swing there with your man
Join all of your hands, circle left around I sing
Left allemande the corner, weave the ring
A bluegrass field, a maple hill
I loved her then, I love her still
I can hear Kentucky calling me
