

Things Change

ESP 1172

Called By Elmer Sheffield Jr.

Circle left:

Cowboy hats blow off in the wind
 Women rule the world, not the men
 Left allemande the corner girl, turn partner by the right,
 Allemande left, and weave the ring
 Things change, don't blink your eye,
 'Cause if you do they'll pass you by
 'Bout the time, you think you've locked it in,
 Things change, then change again.

Figure:

Heads Lead Right,
 Circle To A Line,
 Go Forward & Back,
 Boys Only Follow Your Neighbor & Spread,
 Girls Dodge & Extend (To A Wave),
 Girls Swing Thru,
 Cut The Diamond,
 Bend The Line,
 Pass The Ocean,
 Swing And Promenade
 If you think your luck's run out, and you can't win,
 Just wait around, it'll change again.

Break:

Circle left:

That winter bummed you out, just wait for spring
 In the middle of a draught, just wait for rain.
 Left allemande the corner girl, turn partner by the right,
 Allemande left, and weave the ring
 Things change, don't blink your eye,
 'Cause if you do they'll pass you by
 'Bout the time, you think you've locked it in,
 Things change, then change again.

Ending:

Circle left:

Son, that's just life, that's the world we're living in
 That's the way it's gonna be, cause that's the way it's always been.
 Left allemande the corner girl, turn partner by the right,
 Allemande left, and weave the ring
 Things change, don't blink your eye,
 'Cause if you do they'll pass you by
 'Bout the time, you think you've locked it in,
 Things change, then change again.
