

# Swing All Night With You

ESP 1180

Called By Elmer Sheffield Jr.

Opener:

Circle left:

My heart's doing fine, It's just a state of mind it was going thru,  
Left allemande the corner, turn your partner by the right, left allemande the corner and weave the ring,  
Ain't been beating out no sad songs or rhyming to the rhythm of the blues.

You promenade,

So throw your hat back in the ring and baby I'll swing all night long with you.

Figure:

Heads (Sides) promenade go 1/2 way around,

walk in & touch 1/4, boys run,

Swing thru, Boys run right,

Couples circulate,

1/2 Tag, Scoot back, Boys fold,

Girls turn thru, Star thru & Promenade.

Now what's there to lose, baby I'll swing all night long with you.

Break:

Circle left:

Well it's sure been a while since a cowgirl made me smile the way you do  
Left allemande the corner, turn your partner by the right, left allemande the corner and weave the ring,  
Been Falling for the same lies, and dancing to the same old tunes,

You promenade,

So throw your hat back in the ring and baby I'll swing all night long with you.

Closer:

Circle left:

Let's let by-gones be long-gones and find a new song to two-step to,  
Left allemande the corner, turn your partner by the right, left allemande the corner and weave the ring,  
If you don't mind moving slow, I'll give it a go

You promenade,

So throw your hat back in the ring and baby I'll swing all night long with you.

Tag:

Oh Baby let's swing all night long.
