

I Got Mexico

ESP 1185

Caller Elmer Sheffield

Opener;

Circle left,

I just got tired of that same old job, tired of fighting that freeway mob,
Men star right and roll it one time around, Left allemande the corner, Weave it around,
I bet you thought I'd really never go, I'd never get as far as Mexico,
Should have left a long time ago..... He got you, I got Mexico.

Figure;

Heads reverse flutter wheel and go, Sweep 1/4, Pass thru you go,
Dosado make a wave and then, Balance up and back, Ladies trade then swing thru, go,
Boys run then you half tag, Walk & dodge, Take that corner, Promenade all the way.
I should have left a long time ago..... He got you, I got Mexico.

Break;

Circle left,

I've learned to speak the language some, Down on the beach drinking Coke & rum,
Men star right and roll it one time around, Left allemande the corner, Weave it around,
You wouldn't know me with this golden glow, soakin' sun here in Mexico,
I lost you a long time ago, He got you.....I got Mexico.

Figure;

Sides reverse flutter wheel and go, Sweep 1/4, Pass thru you go,
Dosado make a wave and then, Balance up and back, Ladies trade then swing thru, go,
Boys run then you half tag, Walk & dodge, Take that corner, Promenade all the way.
I should have left a long time ago..... He got you, I got Mexico.

Ending;

Circle left,

Through it all, nothings really changed. No matter what honey that's a shame.
Men star right and roll it one time around, Left allemande the corner, Weave it around,
I'm eating right, and living good, doing everything, I said I would,
I still love you, that's the way it goes, who needs you, I got Mexico.
