

# Early Morning Country Rain Medley

ESP 1190

Caller Elmer Sheffield Jr.

## Opener

Circle left,

In the early morning rain, with a dollar in my hand,  
Men star right one time around, Left Allemande & weave the ring,  
Got an aching in my heart, and my pockets full of sand,  
But I best be on my way, In the early morning rain.

## Figure

Heads pass the Ocean, Extend, Ladies trade, Everybody hinge  
Girls fold, Double pass thru, face right, Ferris wheel,  
Centers square thru 3, Swing and Promenade.  
So, I'd best be on my way in the early morning rain.

## Break

Circle left,

Like a warm and tender kiss, In an early mornin' mist,  
Men star right about one time around, Left Allemande & weave the ring,  
Well good morning country rain, Good to be back home again,  
Magic that I can't explain, In a good ole country rain.

## Figure

Sides pass the Ocean, Extend, Ladies trade, Everybody hinge  
Girls fold, Double pass thru, face right, Ferris wheel,  
Centers square thru 3, Swing and Promenade.  
Magic that I can't explain, Oh good morning country rain.

## Closer

Circle left,

In the early morning rain, with a dollar in my hand,  
Men star right one time around, Left Allemande & weave the ring,  
Got an aching in my heart, and my pockets full of sand,  
But I best be on my way, In the early morning rain.
