ESP 1192

Caller Elmer Sheffield Jr.

Opener

Circle left

Well I'm back on board my 'Ol 49 Ford, It was 1956

Left allemande the corner, turn your partner by the right, Left allemande the corner and weave the ring.

It was long before the sun came up, I was way back in the pines,

My headlights showed me a two lane road, and I heard Johnny Cash singing I Walk The Line.

Figure

Heads slide thru then you square three, with the sides make a left hand star,

heads star right and you roll it around to the corner left touch a quarter,

split circulate, courtesy turn that girl

two ladies chain, keep her and promenade

It was way back in the good 'Ol summertime and I heard Johnny Cash singing I Walk The Line

Break

Circle left

I keep a close watch on this heart of mine, I keep my eyes wide open all the time,

Left allemande the corner, turn your partner by the right, Left allemande the corner and weave the ring.

I keep the ends out for the tie that binds, and I'll admit you're always on my mind,

And the happiness proves that it's right, Because you're mine I Walk The Line.

I find it very very easy to be true, I find myself alone when day is through.

Left allemande the corner, turn partner by the right, Left allemande the corner and weave the ring.

And happiness proves that it's right, I keep you on my mind both day and night,

Yes, I'll admit I'm a fool for you, because you're mine, I Walk The Line.
