

# I Still Like Bologna

ESP 344

Caller Tom Miller

## OPENER - MIDDLE BREAK - CLOSER

Sides face grand square

I still like bologna on white bread, now and then

And the sound of a whippoorwill down a country road

Allemande and weave

Well the grass between my toes

And a sunset sinking low

And a good woman's love to hold me close

## FIGURE

Heads square thru count 'em 4 hands round

You make a right hand star

The heads star left, roll it one time and then

Same pair and do a dosado

Swing thru and then the boys trade

Swing the corner lady round and promenade

I wouldn't wanna go back even if I could
