*Don't bother telling me what I got coming in the morning
I already know

The men star right roll it one time around

Left allemande and weave the ring

It's all about tonight

Good times and the music and laughing and groovin' to the band

Everybody's feeling alright, it's all about tonight

ALTERNATE LYRICS

* Hey pretty baby I've been looking at you
Since the moment you walked in

*Just tell me your name, I don't need your
number for a date next Saturday night

FIGURE

Heads (sides) square thru and walk it four hands

Dosado that corner girl

Swing thru and then girls you fold

Peel the top and do the right and left thru

Square thru go three hands

Swing your corner and promenade

Everybody's feeling alright, it's all about tonight
