

Wonderful Waste Of Time

ESP 362

Caller Tom Miller

Opener

Circle Left

It's almost summer, I can't wait to go, diggin' my toes in the sand.
Men star right, go rollin' round one time, Left allemande and weave the ring.
Spending long summer days soaking up some rays to the sound of a reggae band,
Crazy things that we do, may not matter to you, it's just a wonderful waste of time.

Figure

Heads square thru and go you know,
Dosido that corner one,
Swing thru, and then..... spin the top,
move up and do the right and left thru,
You're gonna square thru and go three hands around,
Swing that girl and Promenade
Spending time on the shore, I'd like to do it some, It's just a wonderful waste of time.

Break

Circle Left;

Kicking back on the beach, with my lover in reach, holding her hand in mine,
Men star right, go rollin' round one time, Left allemande and weave the ring.
Oh my baby looks good, I know she would, and I'm so glad that she's mine,
I'm gonna kiss her again, while the waves roll in. It's just a wonderful waste of time.

Figure

Sides square thru and go you know,
Dosido that corner one,
Swing thru, and then..... spin the top,
move up and do the right and left thru,
You're gonna square thru and go three hands around,
Swing that girl and Promenade
I'm gonna kiss her again, while the waves roll in. It's just a wonderful waste of time.

Closer

Circle Left;

I'll tell you, my friend, I'd like to do it again, there's no reason or rhyme,
Men star right, go rollin' round one time, Left allemande and weave the ring.
Oh we're dancing to China on the beach in Carolina
Swing your girl and Promenade,
I'm gonna kiss her again, while the waves roll in. It's just a wonderful waste of time.
