Opener

Sides face Grand Square,
I searched for words of sweet description, to best describe,
The thrill it gives me just to have you by my side,
Allemande and Weave
I can't find one single word that properly defines,
How sweet it is just knowing that all your love is mine.

Figure

Heads square thru 4 hands you know, Right hand star,
The heads star left go one time and then, Same 2 Slide thru,
You're gonna square thru and go 3 hands around,
Swing and all promenade,
How sweet it is just knowing that all your love is mine.

Break:

Sides face Grand Square,
It's heavenly sunshine, heavenly sunshine baby,
You fill my heart with your sweet love, so divine.
Allemande and Weave
Heavenly sunshine, heavenly sunshine baby,
You make me happy cause your love is mine.
