ESP 367

Caller Tom Miller

Opener

Circle left,

Just like the trees along the river bend, Lift up their branches to the sun above
Allemande your corner, turn your partner by the right, Allemande that corner, weave the ring,
Everybody's reaching out for someone, Everybody's knocking at some doors,
And long before I ever found you, You're the one I was reaching for.

Figure

All the heads square thru go 4 now, Dosado she's waiting there, Swing thru and then boy run right,
Bend the line, and do the right & Left thru, Pass the ocean & go recycle, Swing that corner girl then you all promenade.
And long before I ever found you, You're the one I was reaching for.
