

# That Summer

SIR-346

Called by  
Paul Bristow

## OPENER - MIDDLE BREAK - CLOSER

Four Ladies Chain across the ring - I went to work for her that summer  
Chain them home- A teenage kid som far from home  
Circle Left- She was a lonely widowed woman, hell bend to make it on her own  
Left Allemande and Weave The Ring  
We were a thaousand miles from nowhere  
Wheatfields as far as I could see Swing and Promenade  
Both needing something from each other  
Not knowing yet what might have been

## FIGURE

Heads Square Thru count 'em 4 hands round  
You make a Right Hand Star  
The Heads Star Left, roll it one time and then  
Same pair and do a Dosado  
Swing Thru and then the Boys Trade  
Swing the corner lady round and Promenade  
And allthough it isn't real, I just can't help but feel  
Her hungry arms again

## ADDITIONAL LYRICS

She had a need to feel the thunder, to chase the lightning from the sky  
To watch the storm with all it's wonder, raging in her lover's eyes  
She had to ride the heat of passion, like a comet burning bright  
Rushing headlong in the wind - Out where only dreams have been,  
Burning both ends of the night

## TAG

Sides Face Grand Square  
Rushing headlong in the wind - Out where only dreams have been,  
Burning both ends of the night
