## OPENER

Circle Left

On Saturday night where I was born, down on the farm  
Guitar playing, we start singing, 'til the break of dawn  
Allemande Left with the corner, Turn a Right Hand round your Own  
Allemande Left the corner girl, Weave around the Ring  
Bo Weevil, Bo Weevil, where've you been all day  
Swing and whirl that pretty girl and Promenade that way  
Bo Weevil, Bo Weevil, why did you go astray  
You'll get a licking, sure as I'm sitting, on this bale of hay

## FIGURE

Head 2 Couples Promenade Halfway around the ring  
Down the middle, Star Thru and now Pass Thru  
Pass the Ocean here and the Ladies Trade  
Recycle now and then Slide Thru  
Swing Thru 2 by 2 and the Boys Trade  
Swing the corner lady there and then you Promenade  
Bo Weevil, Bo Weevil, where've you been all day  
Momma's been lookin', ain't stopped lookin', since you went away

## MIDDLE BREAK

4 Boys Promenade once around the ring  
Get back home, Swing your girl, everybody Swing  
Join up hands, Circle Left, go once around and then  
Allemande Left your corner girl and Weave around the Ring  
Bo Weevil, Bo Weevil, where've you been all day  
Swing when you meet your girl and Promenade that way  
Bo Weevil, Bo Weevil, why did you go astray  
You'll get a licking, sure as I'm sitting, on this bale of hay
