

The Squaredance song

By Anna Jois

Verse 1

This is what I always been searching for
Now I know I was looking for something more
Now I know, Yes I know
And it shows, and it goes
Lake a dance, Take a chance, to have some fun

Verse 2

Can't believe I didn't try this before
We can make it happen on the floor
Now I know, Yes I know
It's not just you and me
We need to be eight in a square, and make new friends.

Chorus:

Squaredance woooooooooo
Squaredance that's what I want
Squaredance woooooooooo
Squaredance that's what I want

Chorus

Verse 3

The rhythm on the dancefloor is heating up
You just have to fill your left-hand cup
Now I know, Yes I know
Doesn't matter, doesn't show
If you're a senior, middle age or Buffalo

Chorus
