

# Trashy Women

Called By  
Gary Shoemake

## OPENER

Sides face, grand square  
Well I was raised in a sophisticated kind of style  
Yeah my taste in music and women drove my folks half wild  
Left allemande and you weave  
They say that opposites attract but I don't agree  
Swing that girl and promenade her for me  
Hey I like my women just a little on the trashy side

## FIGURE

Well now the heads (sides) promenade and get me 1/2 way round you know  
Down the middle and pass the ocean, now extend  
Girls trade, swing thru, boys run right, tag the line  
Girls put your hands on your hips and shake it now  
Get him excited, turn around, swing your man and promenade him there too  
Oh I like my women just a little on the trashy side

## MIDDLE BREAK

Sides face, grand square  
Go...ahh...strut it out now honey  
Oh...he's got his eyes on you now baby  
Ahh...you're looking good there now mama  
Whoa now let's show him a thing or two  
4 girls promenade one time around, well run right back  
And swing your man go once around, promenade him again  
Oh I like my women just a little on the trashy side

## FIGURE (ALTERNATE)

Well now the heads square thru and get me 4 hands around you go  
Dosado her you know  
Swing thru, and let the boys run  
Let's do a 1/2 tag, scoot back tonight  
Boys run right around that girl, and do a right & left thru  
You make a full turn around  
Roll, promenade her there too  
Hey I like my women just a little on the trashy side

## CLOSER

Sides face, grand square  
Well I like them sweet, I like them with a heart of gold  
Yeah I like them brassy, I like them brazen and bold  
Left allemande and you weave  
They say opposites attract but I don't agree  
I like my women just as tacky as me  
Oh I like my women just a little on the trashy side

## TAG

Swing that girl  
Yeah I like my women just a little on the trashy side
