OPENER

Sides face, grand square
Well I was raised in a sophisticated kind of style
But my taste in music and in women drove my folks half wild
Allemande your Corner and Weave That old Ring --
Mom and Dad had a plan for me -- Swing and Promenade
It was all debutantes and symphonies
But I like my music hot; I like my women wild

FIGURE

Heads Promenade and go about ½ way round that ring
Walk in and Pass the Ocean there,--
Extend - Ladies Trade
Swing Thru and go
Boys Run -- Tag the Line all the way thru
Cloverleaf -- -- Follow her boys!
Girls Turn Thru
Star Thru and Promenade, those girls leave me confused
I like my women just a little on the trashy side.

MIDDLE BREAK

Sides Face, Grand Square
Yeah, an' I like my women just a little on the trashy side
(You know the ones boys) They wear their clothes too tight, and their hair is bleach blonde dyed
Allemande that corner and Weave that old ring --
Well Way Too much lipstick; way too much rouge
Swing and Promenade -- those girls leave me feeling confused
I like my women just a little on the trashy side

CLOSER

Sides Face, Grand Square
Well I like them sweet, and I like them with a heart of gold
Yeah but I like them brassy, I also like them brazen and bold
Allemande that corner and Weave that old ring --
They say opposites attract, but I don't agree
Swing and promenade I like women as tacky as me
Oh I like my women just a little on the trashy side

TAG

Get home and swing her
I like my women just a little on the trashy side
