

The Fireman

ESP 135

Caller Elmer Sheffield

OPENER - CLOSER

Sides face, grand square

Well, I'm the fireman...that's my name

I'm running around all over town, putting out old flames

Four ladies chain the ring and then you chain 'em home

You take your girl and then you promenade home

Well, I'm the fireman...that's my name

FIGURE

Well now the heads promenade and go halfway around you go

Lead right and do a dosado

Swing thru tonight, the boys run right

Bend the line, go right & left thru, turn that girl

Slide thru and square through go 3/4 round

Swing that corner and promenade a round

I'm the fireman...that's my name

MIDDLE BREAK

Circle left

I got a fire engine red T-bird automobile

Why don't the men star right, go rollin' on around the ring

Left allemande and then you weave around the ring

Everybody'd love to have what I got

Swing your girl and promenade

I'm the fireman...that's my name
