

Those Good Ol' Dreams

ESP 189

Caller Tony Oxendine

OPENER - MIDDLE BREAK - CLOSER

Four ladies chain the ring
You turn and chain your lady home I sing
Join hands and circle go walkin' around
Left allemande and you weave the ring
*Why it's a good day for those good ol' dreams
Swing the girl and you promenade the ring
It's a good day for those good ol' dreams
All my life I've dreamed of you

FIGURE (Heads twice, sides twice)

Heads square thru in the middle of the ring now
Dosado that corner girl
You swing thru and then why don't you spin the top
Move up and do the right & left thru
Square thru, go 3/4 round now
You swing the honey there and you promenade
I'm looking at you now, I feel it in my heart
Finding answers to all of my prayers
